ARECA LEAF TRAYS

TRAYS

N-Leaf trays are not just sturdy but also ideal for safe food storage. Made from 100% natural areca palm leaves, our products offer a complete eco-friendly solution. N-Leaf is proud to provide items that are both renewable and exceptionally durable. With a commitment to listening and understanding our customers, we deliver green solutions for every event, making a difference for those who embrace a sustainable lifestyle.

Size: 300mm x 250mm x 25mm

ARECA LEAF FAN

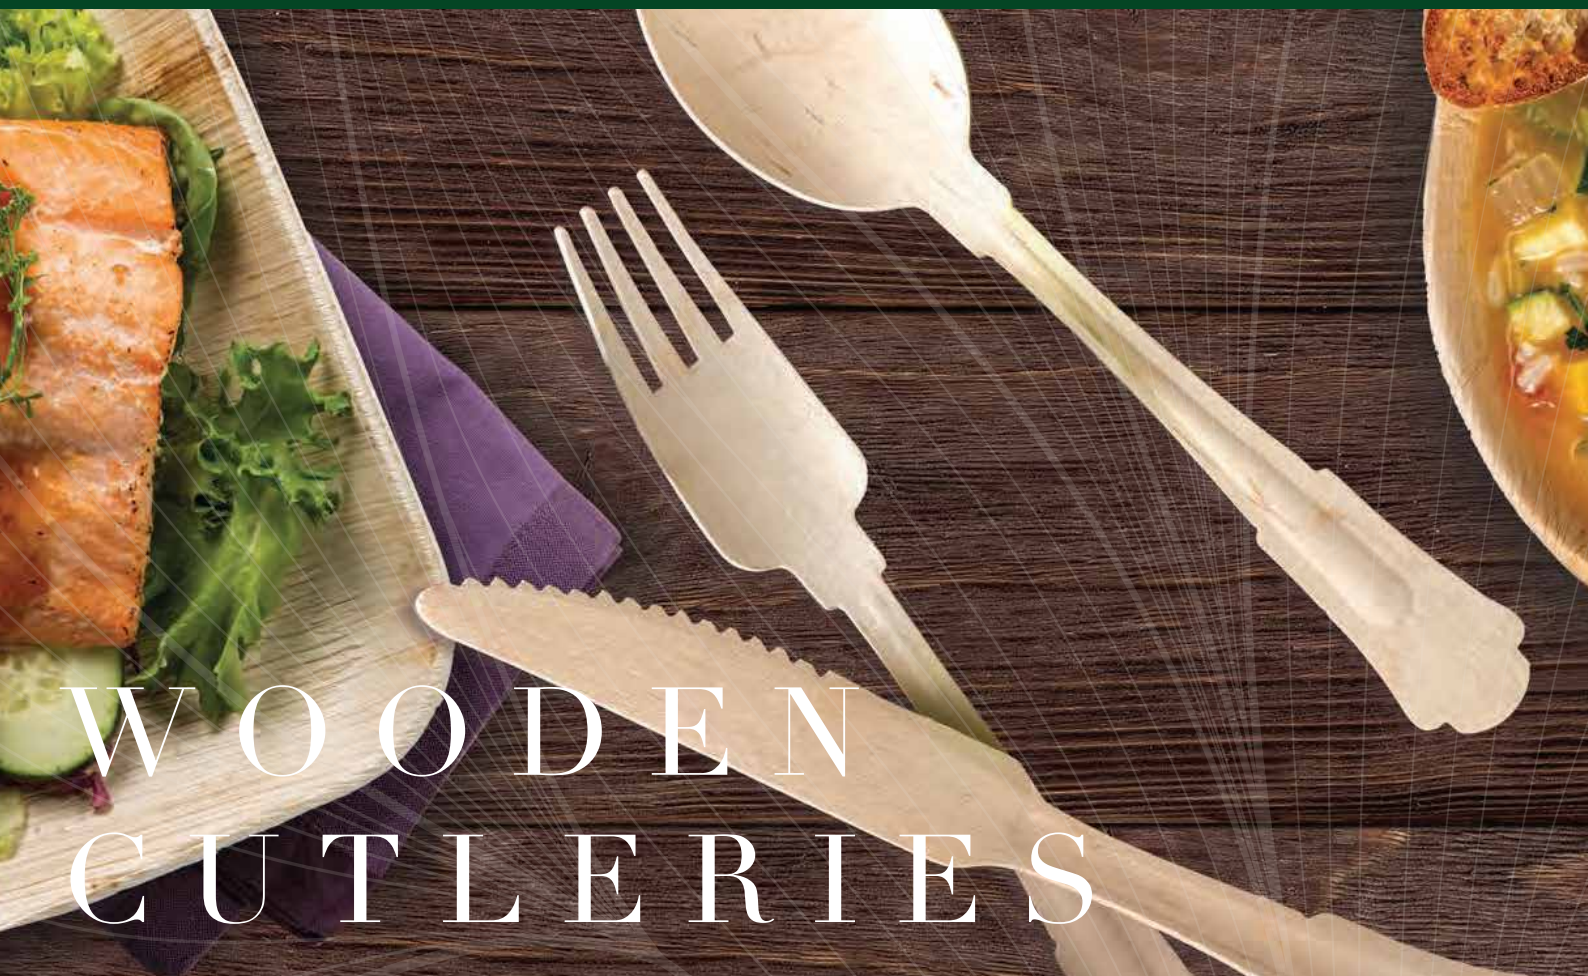

The Areca-leaf fan, rooted in Vietnam's folklore, serves many purposes. It cools during scorching summers and is a charming, nature-inspired decor piece. Whether used for picnics, festivals, or community events, it brings comfort and ease. Additionally, you can customize these palm-leaf fans with paint or laser engraving, turning each into a unique piece of art that reflects personal style and creativity.

SIZE: 300mm x 180mm

CUTLERIES

WOODEN CUTLERIES

N-Leaf cutlery is made from 100% natural wood, free of chemicals, and fully biodegradable. With a refined, sustainable design, N-Leaf offers the perfect choice for eco-friendly gatherings, blending elegance with environmental responsibility. Choosing N-Leaf means embracing a dining experience that's both convenient and inspired by nature's beauty.
